

home-made towersey

29 August 2020

Towersey Festival is about people getting together and enjoying music, dance, workshops and that unique community spirit. It's about friends and family and creating memories.

Just because we can't all be together this year doesn't mean we can't keep that spirit alive. In fact, all the more reason we do.

So, we invite you to create your very own mini 'at home' Towersey Festival with family and friends on Saturday 29th August 2020. In order to make this happen we have created a programme of concerts, workshops, ceilidhs and much more. Here's a helpful list of things you could do to make your 'home-made' Towersey a great success.
